

2017–2018 Membership Year Paid Call Policy

The 2016 Spring DEC passed a Paid Call program for the 2016-2017 Membership year. The purpose of this is to increase participation at Detachment Executive Committee Meetings by helping off-set travel expenses.

The paid call would be made available for all Committee/Commission (Convention Committee members not eligible) members and the highest ranking District DEC Member (certified District's only) present at the meeting, with no "double dipping".
IE: District Commander John Doe is at meeting and also a member of Americanism; he is not entitled to two disbursements or a member serving on two different Committees or Commissions.

Division Officers are not included in this because the Division Commanders and Senior Vice Commanders have an adequate Detachment Budget (item number 501000).

District Officers eligible are only the Commander, Senior Vice Commander or Junior Vice Commander. They must be on the District Certification form and verified by the Detachment Adjutant. Only the highest ranking member of the District present is eligible per meeting.

The amount will be \$50 and Detachment Expense form must be turned in to Detachment Finance Officer the day of the DEC. This will be available for the Fall, Winter and Spring DEC and the funds will come out of overage.
