

# **2018—2019 Membership Year Paid Call Policy**

The paid call will be made available for all Committee/Commission (Convention Board of Managers members not eligible) members and the highest ranking District DEC Member (certified District's only) present at the meeting, with no "double dipping". IE: District Commander John Doe is at meeting and also a member of Americanism; he is not entitled to two disbursements or a member serving on two different Committees or Commissions.

Division Officers are not included in this because the Division Commanders and Senior Vice Commanders have an adequate Detachment Budget (item number 501000) unless they are a member of a Committee/Commission.

District Officers eligible are only the Commander, Senior Vice Commander or Junior Vice Commander. Only the highest ranking member of the District present is eligible per meeting.

The Commander and Senior Vice Aides and Sgt-At-Arms are also eligible for the \$50 (if not on a Committee/Commission).

The amount will be \$50 and Detachment Expense form must be turned in to Detachment Finance Officer the day of the DEC. This will be available for the Fall, Winter and Spring DEC and the funds will come out of overage.

All positions must verified by the Detachment Adjutant.
