Fellow Sons,

Congratulations to Garret Slevin Sr and the 3rd division for being first to hit 100%!!!!

As you read this we have surpassed the 94% Goal. The next target date is May 8th for 100%. This is well within reach. Please continue with recruiting and renewals. Many members will put it on the back burner until one of us brings it to the front. We are over 82% retention.

The triple nickel award is within reach. Commander Gort has done an excellent Job and has delivered charters to 8 new squadrons. We need 105% membership and 85% retention and the award is ours.

All Squadrons and Districts should have received both, the certification form and the CSR.

Division adjutants a certification letter. It is imperative that these be filled out as soon as possible and turned in. The CSR shows our contributions in numbers. If you need help filling it out please ask.

Did someone say CASH incentive????

I have received the membership award gifts which will be given out with the number 1 pins at convention. You do want to be #1!!!!

I know we will finish this year strong and achieve our goals.

Thank you all for all that you do
