

Supplies Needed

During the Lincoln Pilgrimage this year we were fortunate to tour the Spring Street Renaissance Men's Transitional Facility and also drive by a new women's family facility due to open this year. During our tour it was brought to our attention that supplies are always in Demand. PDC Paul Hayse has asked that we put a drive together to gather supplies and deliver them to the facility during our convention in July.

Pots and pans, Bath towels and wash cloths, vacuum cleaners, night stands and Lamps are the most needed at this time.

Hygiene products (toothpaste, tooth brushes, shampoo's/conditioner etc.) Bedding plates, silverware, tp, paper towel and all the usual essentials are also needed.

Please collect all you can so we can make a large delivery to help out these facilities.

Monetary donations will also be accepted. Please send a check payable to the Detachment of Illinois with Fifth Street Renaissance in the memo line so Commander Gort can use his BIG CHECK to present the donations and supplies
