

Well, another year has just about come to an end and time to elect your new officers.

The end of June means Detachment Convention and New leaders taking command of commissions, committees, and chairs.

Your certification papers should be filled out and mailed in with your consolidated report form. Your voice can be heard in Washington with you returning the CRF. Also, if you are planning on going to Detachment Convention, you must fill out the State Delegate and Alternate Report. Convention this year is June 23-25 in Deland. We hope to see all of you there.

The first of June means District and Division Conventions going on so try to make your areas meetings.

I want to thank all the people who have inspired me throughout this past year. Without their guidance and leadership, I could not have had a wonderful year as I have had.

Let us all look forward to a banner year next year and good fellowship in the days to come.

Yours in Service,

Paul Hayse

Detachment Sr Vice Commander
