

Children & Youth Committee

For several years The American Legion Child Welfare Foundation has given a grant to Our Military Kids to further their various causes. As Sons we have been the major contributor to the Child Welfare Foundation and have had the privilege to be able to sponsor their grants.

The Lids Foundation has chosen (10) organizations they feel are worthy of receiving a \$125,000.00 top prize in their Tip of the Hat Contest, and as Sons once again we can come through for Our Military Kids.

If we all do our part, everyone is a winner as we are Proud Possessors of a Priceless Heritage.

Yours in Service,
