Fellow Sons:

Yes 105% is our goal and I know we can get it Done. The 100% target date has passed. I have included a list of 100% and Higher Squadrons in this mailing. Many more are very close.

**Congratulations and a BIG THANK YOU to all!**

A very special Cash memento will be given out with the number one pins at convention. Will you be a recipient?

We are now in the Home stretch for the Membership Year. Your countless hours of hard work are paying off. I thank you for that!

There is still work to do. Adjutants please distribute to your membership, a list of needed renewals so calls and visits can be made.

You should have received your CSR and Certification forms already. Certifications can be sent in as soon as your officers have been voted in and the CSR can be filled out now. The CSR is absolutely vital to add to our numbers. Your district or division officers can help if needed.

I was honored to attend National Commander 'Doc' Gibbs homecoming in Buffalo NY with PNC JR Stillwell and NVC Matt Christie. Friday night was a reception at the post with a live band and of coarse Buffalo wings. Saturday tour busses took us to Niagra to tour the falls and the town. Saturday evening was the formal dinner where I presented Commander Gibbs with the Letterman Jacket from the Detachment of Illinois.

Thank you for all that you do!!!!
