For

Eugene Gort Detachment Commander

Greetings Fellow Sons,

With Veterans Day coming up, I'm sure many of your squadrons and posts will be involved in activities recognizing our veterans. Let's remember to take pictures and publicize our Veterans Day activities. This is a great opportunity to thank our veterans for their service, and to let the community know about how the Sons of the American Legion supports veterans. Sharing pictures of what your squadron is doing is a great way to help promote the Sons. Pictures can be shared on Facebook, or with your local paper to highlight the things your squadron is doing in the community. It is important for us to "Build the Bridge" between our organization and the general public to set us up for long term "Success".

We are still working to build our detachment email list for our biweekly newsletter. Please send your squadron email list to eugenegort@yahoo.com so your members can receive the newsletter. We are trying to include pictures of different posts with the article. Feel free to submit a picture of your post, or your squadron participating in an activity to possibly be included in an upcoming newsletter. Thank you for all the things you do for the Sons of the American Legion and have a Happy Thanksgiving.

For God and Country,

Eugene Gort
Detachment Commander
