

SONS OF THE AMERICAN LEGION

Dear Fellow Sons,

As we head into October, let us keep in our thoughts and prayers all the people affected by the natural disasters in our country. We were recently hit by two hurricanes and wildfires have been raging in the West.

A great way to help those affected is by making contributions to the National Emergency Fund (NEF). NEF provides financial assistance to American Legion Family members who have been displaced by natural disasters. A member is eligible for up to \$3,000 in assistance to help meet immediate needs such as food, housing, and clothing. Membership must be current. A post is eligible for \$10,000. Since NEF began in 1989 over \$8 million have been given out.

This is one of the many benefits of membership in our organization. Not only are we there to help, but in our times of need help is available for us. So if someone questions you why they should sign up, let them know that The American Legion Family is the strongest most supportive family in our country.

Hopefully the help is never needed, but it is here for you if the need should arise. If you can, please have your squadrons donate to NEF. All the assistance we can give at this time is greatly appreciated.

Retain, Recruit, Remember

Eugene Gort

Sr. Vice Commander
