

GUITARS[®] **for VETS**

**the healing
power of music
in the hands of heroes**

Spend an afternoon at Mac's on Slade listening to some local bands who will donate their time while we run raffles, silent auctions & door prizes. We ask for a \$5 donation at the door, which entitles you to 6 raffles tickets.

What is Guitars for Vets...Guitars for Vets (G4V) is a federally registered 501(c)(3) not-for-profit founded in 2007 with headquarters in Milwaukee, WI. G4V currently operates 100 chapters in over 30 states and has over 400 volunteers. G4V is dedicated to sharing the healing power of music with Veterans suffering from significant combat related mental and emotional stress, particularly Post Traumatic Stress (PTSD). G4V pursues its mission by providing free, private, and group guitar instruction, a practice guitar, accessories, and method book in a structured program run by volunteers, primarily through the Veterans Administration (VA) facilities (*Illinois location is at Hines in Chicago*) where Veterans enter into the G4V program via referrals by their mental health provider. Weekly group lessons open to current and prospective students provide an ongoing forum for Veterans to embark on their music-making journey. Upon completion of the program, we present each Veteran with a brand new acoustic guitar, gig bag, strap, tuner, strings, picks, capo, and a stand. To date, G4V has given over 30,000 lessons and distributed over 3,000 new guitars to veterans. Come join us at Mac's on Slade March 31, 2019 to learn more about Guitars for Vets and how we can help our Veterans.
