SONS OF THE AMERICAN LEGION

First Division – Detachment of Illinois

BLOOD DRIVE FLU SHOT CLINIC

Give blood and get your flu shot in one day!

People have held blood drives and given blood since community service became an American value. It's only natural that The American Legion Family - with community service as one of its pillars - be heavily involved in blood donation efforts. Come out and help our effort to replenish the blood bank supplies.

Flu shots are available and free for everyone who has Medicare or PPO Private insurance and eligible under their plan.

– do not forget your insurance card.
