## Detachment Sr Vice Commander Jim Peters

Greetings fellow American Legion Family members,

Well we finally were able to get back to some semblance of normal with our Legion Family DEC's on September 27<sup>th</sup>. It was great to see everyone in person and on the big screen. Considering the circumstances, I thought the meetings were well attended.

We also had a great evening at Post 32 for drinks and some great food. Of course, the highlight of the evening was seeing Butch and Commander Phil take a pie to the face. It was all for a good cause. I can't recall the exact amount, but I know a good amount of money was raised for CWF.

As of last week's (10/9) membership report, we are trending right against last years numbers which is great considering the pandemic. This time last year no one had really heard of COVID 19 or cared. Who would have every thought what was to come?

Hopefully as time marches on we are getting closer to a return to normal meetings and events. Remember support your post and local businesses. They need it! Stay in touch with our fellow American Legion Family members. Even just a phone call to say hello can be huge.

Until next time...
